Park every Ten Minutes.

Sporting News.

The Greenwood Giants Baseball Team leave to-night for Memphis. They play there Saturday and Sunday and come home Monday, bringing Memphis with them for three games, Monday, Tuesday and Wednesday, April 17, 18 and 19. The Greenwood Giants are by far the fastest set of ball players Nashville has ever had and aside from this they play a good, clean, gentlemanly game. No rowdy, loud, abusive language is tolerated on their team. While it has been the desire of the management to get together a fast bunch of ball players, they are bent upon one thing, and that is to have nothing but gentlemen on the team. They are soliciting the patronage of the people of Nashville and will give them a fast, clean article of baseball. The opening games will be played April 17, 18 and 19 with Memphis. It is to be hoped that quite a crowd will turn out and encourage the boys and

see what kind of an article they are going to put up.

Mr. John White, of the Standard Giants, will announce his dates in the next issue of the Globe. He reports a strong team with plenty of good games ahead. He has some strong, fast men that will make trouble for any team.

Rose, Campbell, Sublett, Means and Kindle. Look out, Memphis. I see you going now.

And that boy Martin is no slouch. That catch he made Saturday was some catch, I thank you.

Everybody should come out Monday and pull hard for the boys to win. They need all the encouragement they can get.

Luther O'Neal, a Nashville boy, who is playing with West Baden, is sure raking gold with that stick. His two and three base hits are a common thing nowadays.

The Cuban Stars Team from Ha-

vana Cuba, will have with them one of the greatest pitchers in the game to-day. Everybody ought to come out and see him.

Daddy Hurt has come back, boys. But he says the old man has never been away.

Remember the game Monday is called at 3:30. Be on time or you will miss something good.

On Monday, Tuesday and Wednesday, April 17, 18, 19, the Greenwood Giants play their first series of games. You should come out and see them.

MRS. LESTER VISITS SUNSHINE HOME.

Mrs. A. G. Lester, the president of the Woman's American Baptist Home Missionary Society, spent Saturday, Sunday and Monday in Nashville. She spent most of her time with the Fireside School; she attended four churches in the city on Sunday. Monday morning she addressed the members of the Workers' Conference and Bible Band; in the afternoon she and Miss Bushnell, Miss Eaton and Mrs. Flowers visited Roger Williams University. She left Monday night for Atlanta, where she is to be present at the anniversary of Spelman Seminary.

SACRED CONCERT.

The sacred concert given by the First Baptist choir of East Nashville was quite a success, every seat in the church being occupied. During the first of the programme a silver offering was taken up and the church realized a nice sum. The people were loud in their praises concerning the programme. At the end of the programme the choir received quite a surprise in the form of a beautiful white cake elaborately decorated, given by Mrs. Lizzie Brandsford, of 608 Webster street, and presented by Miss Eunice Griggs on a cut glass waiter bearing a silver knife and fourteen napkins to accommodate each member of the choir. The church presented a gallon of cream.
